INTRODUCING THE NEW SILVERADO.COM

Dear friends and family,

We are thrilled to announce the launch of a brand new experience for visitors to our website, **Silverado.com**! Wholly revamped from the ground up, the new website is designed to help families in need easily understand Silverado's unique style of memory care and the solutions it offers.

With that in mind, we wanted to share these fantastic new features with you:

- Redesigned pages that are easy to navigate and provide ready access to important information about care philosophy, amenities, services and more
- Extensive information about our COVID-19 response
- Improved site navigation with sections "Where do I Begin?" and

“Resident Life.”

- “Is it time for Memory Care?” questionnaire to allow visitors to understand better if its time for additional support
- Facebook feeds incorporated on the memory care community's web page for visitors to see daily life at each location

We're very excited about what this new site can do to help families learn about the benefits of care at Silverado. Please head over now to start exploring!
