

SILVERADO BELMONT HILLS COVID-19 UPDATE

DECEMBER 18, 2020

Dear Family and Friends,

We are waiting to hear about our dates for the vaccine to be given to our associates and residents. If you do not want your loved one who lives at Silverado to receive the vaccination, please email Glynis or me and we will not include them.

Glynis.Marcantel@silverado.com

We will advise you once we receive further information. I have requested a sample consent form and will provide if I receive. I believe everyone has received the earlier correspondence regarding the process for consent. Please send an email to me directly with the following verbiage:

“As a responsible party, I consent to insurance billing and treatment to receive vaccination for COVID-19.”

Please remember the vaccine is strictly voluntary. At this time it is not a condition of employment for our associates and is not mandatory for our residents. I honestly do not know about the future and what may be required, but for now there is no requirement. If you wish to discuss with me specific questions, please send me your questions and I will forward to home office if needed or answer if I can.

We continue to test residents and associates. We have not received all test results back. So far no associates have tested positive. We have one asymptomatic resident which we believe is a false positive. In an abundance of caution, the resident has been placed in our observation area. Their roommate tested negative, so again we are cautiously optimistic. We have been in contact with the Department of Social Services and San Mateo County Health Services and are continuing to follow their protocols.

We understand anytime, especially during COVID, it is challenging to not be able to come inside Belmont Hills to visit and see what is going on. One way to assist with feeling connected I wanted to let you know you can view Silverado Belmont Hills' Facebook page even if you do not have a Facebook account. You can either go to this link: <https://www.facebook.com/Silverado-Belmont-Hills-Memory-Care-Community-296423404613979/> or search “Silverado Belmont Hills Facebook” and you will find a link. Our Facebook page is a great way to see your loved one, if you have given us permission to post pictures. You can also see our other residents, our grounds, our associates, and the happenings at Silverado Belmont Hills.
