

SILVERADO Belmont Hills Updates

April 30, 2021

Dear Silverado Families,

Our community continues to be COVID-19 free! We remain grateful for the negative results and continue to test 25% of our associates weekly per current Department of Social Services guidelines.

Starting tomorrow Saturday, May 1, 2021 resident visits are open to every day of the week. Currently visiting hours remain 10:00 am – 8:00 pm.

We still need everyone to please social distance with residents and other visitors who are not in your “bubble.” Please continue to follow our rules, most importantly at this time, visitors must continue to wear a mask, regardless of your vaccination status. There is no eating or drinking inside with residents. If you want to enjoy a snack outside or in your loved ones’ room, this is allowed if their roommate is not present. Thank you for adhering to our requirements, as we want to keep all our associates, residents, and visitors safe.

I am pleased to announce that April Toy has joined Belmont Hills as our first hair stylist. April is a Bay Area native and has over thirty years of experience. She has a passion for seniors and is looking forward to working with our residents. She is available Tuesday and Fridays. You can call April directly to get more information, schedule an appointment, and for pricing as you will be paying her directly. April’s contact number is (510)378-2892. I am working on a second stylist and manicurist and will keep you updated.

Please see the attached flyer for information on our Mother’s Day Event. Amanda Hebert, Director of Resident Engagement, will be forwarding the May calendar Mother’s Day tea party.

With love and gratitude,

Joan Newman
Administrator
