

SILVERADO Belmont Hills Updates

October 19, 2021

Dear Silverado Families,

Our final flu clinic will be held Friday, October 22, 2021. If you have any questions or want to confirm the flu vaccine status of your resident, please email glynis.marcantel@silverado.com or maria.miller@silverado.com and one of them will get back to you with the information.

Or Booster Only clinic for the COVID-19 Pfizer Vaccine will be held, Wednesday November 3, 2021, from 10:00 am – 2:00pm approximately, depending on the time needed. We will need new consent forms and have attached a fillable version.

Please join me in welcoming Gary Christo to our community as our Director of Plant Operations. In his role, he will support the maintenance, laundry and housekeeping associates. Gary has worked in assisted living and memory care communities and has a passion for seniors. He looks forward to meeting all of you as he gets acclimated to Silverado Belmont Hills.

A special thank you to Diana Sapienza-Boundy for her oversight as the interim Director of Plant Operations. She is amazing and a heartfelt thank you for her diligence in this role and all her responsibilities. We are fortunate to have her on our team!

With the weather starting to change and our current inability to enjoy food and beverages indoors, we have scheduled a zoom call on Wednesday, October 27, 2021 from 5:30pm to 6:30pm. It is open to all responsible parties and/or family members of our residents. Zoom details will be sent out next week. This zoom meeting is an opportunity to meet all of the directors at our community. Each director will answer any general questions and provide department updates.

Please remember if you have a specific question about your loved one, I encourage you to make an appointment or call to speak to the specific department director that oversees the area you have a question about.

I wanted to provide an updated list of our Directors and their emails.

Please remember that families are not allowed to take photos or video of any resident except their own loved one. Many families have not allowed photos to be taken of their loved one and we must adhere to their request. Thank you for your understanding.

Lastly, as the weather is changing, please check that your loved one has proper winter clothing.

If you are unsure, please contact Diane or Glynis and they can review with our caregivers on specific needs.

With love and gratitude,

Joan Newman, Administrator
